## SUMMARY

Software Developer with a strong backend focus in C#/.NET and hands-on experience building and maintaining production systems across backend, web and mobile applications. Experienced in REST APIs, integrations, authentication, data processing, automated testing and CI/CD, with TypeScript, React and Next.js on the frontend. Comfortable taking ownership across the full development lifecycle, from technical design and implementation through testing, deployment and continued development in production.

## PROFESSIONAL EXPERIENCE

2025/09 - 2026/06 **Software Developer (LIA)** | Go.Do. AB, Ängelholm

- Developed and maintained **GODO**, a production platform spanning backend, web and mobile applications, working across API, frontend and mobile development.
- Built and maintained a **REST API with 60+ endpoints in C#/.NET**, covering authentication, authorization, subscriptions and integrations with external services.
- Developed data synchronization workflows for validating, normalizing and deduplicating event data from external sources covering 197 Swedish cities.
- Developed frontend functionality with **TypeScript, React and Next.js**, as well as cross-platform mobile application using **React Native** and **Expo**.
- Expanded and maintained **300+ automated unit and integration tests** and implemented CI/CD and production deployment with **Docker and GitHub Actions**.

2022/06 - 2024/02 **Civil Engineer** | Dala Trähus, Ljungskile

2022/01 - 2022/06 **Freelance Architect & Business Owner,** Partille

2020/11 - 2022/05 **Architectural Civil Engineer | Volunteer Work**, EWB, Gothenburg

## CORE SKILLS

| | |
|---|---|
| **Backend, APIs & Security:** | C#, .NET, ASP.NET Core, Entity Framework Core, REST APIs, CQRS, MediatR, JWT Authentication, Role-Based Access Control (RBAC), Rate Limiting, Security Headers |
| **Frontend:** | TypeScript, React, Next.js, Tailwind CSS, TanStack Query |
| **Mobile:** | React Native, Expo SDK, Expo Router, i18next |
| **DevOps & Tools:** | Azure, Docker, Git, GitHub Actions, Swagger, Postman, CI/CD, Linux |
| **Databases:** | SQL Server, PostgreSQL, SQLite, MongoDB, Azure SQL |
| **Testing & Quality:** | NUnit, Unit Testing, Integration Testing, TDD |
| **Architecture & Practices:** | Clean Architecture, CQRS, Agile/Scrum, API Design, Domain Modeling |

## SELECTED PROJECTS

2026/07 - Present **VeloLog** | Cycling & Maintenance App

- Developing an Android-first, local-first cycling application for tracking rides, bicycles, components and maintenance without requiring an account or internet connection.
- Implemented background GPS recording with location filtering, interruption recovery, live ride statistics, automatic odometer updates and route visualization with MapLibre.
- Built component-wear and maintenance logic, local notifications, Swedish/English localization and a testable domain layer with automated unit tests. The app was developed using React Native, Expo, TypeScript and SQLite.

2026/01 - 2026/02 **PluggKompis** | Homework Help Platform

- Built a full-stack platform for finding and booking free homework-help sessions based on location, subject and volunteer availability.
- Implemented role-based workflows for coordinators, volunteers, parents and students, including scheduling, bookings, attendance tracking and PDF export.
- Designed the domain model, REST API, authorization and business logic using C#/.NET, Azure SQL, React and TypeScript.

2025/06 - 2025/07 **FridgePal** | InFiNetCode Hackathon - **1st Place**

- Built a mobile prototype aimed at reducing food waste by using AI-based image recognition and OCR to identify groceries and expiration dates.
- Designed the backend API, business logic and validation flow for processing and storing identified grocery data.
- Implemented the backend with C#/.NET, Clean Architecture, CQRS/MediatR, FluentValidation and Azure SQL.

## EDUCATION

2024/09 - 2026/06 **.NET Software Developer,** NBI-Handelsakademin**,** Gothenburg

2013/09 - 2020/10 **Architectural Civil Engineer | House building,** Luleå University of Technology, Luleå

## LANGUAGES

Swedish – Fluent

English – Fluent

## DRIVING LICENCE

B
